

## Limited Power of Attorney

Our records indicate that your child is traveling on a tour that includes an activity which requires travelers to sign a waiver in order to participate. Since your child is under the age of 18, they will not be able to sign this waiver for themselves. Therefore, in order for your child to participate in this activity, the Group Leader needs to be authorized to sign the waiver on your behalf. Please read the information below and sign to acknowledge your acceptance of these terms. Your agreement is completely voluntary. If you do not give permission, your child will not be allowed to participate in any of the activities that require a waiver.

I understand and agree, in accordance with the "Enrollment Handbook," "Release and Agreement" and "Booking Conditions," that the tour itinerary may include certain activities (such as whitewater rafting in Costa Rica) that may require the Group Leader to sign a release on behalf of the travelers (who are minors and cannot sign for themselves) in order to allow participation. This document allows the Group Leader to execute these documents on your behalf should the need arise. Your execution of this document is voluntary. If you choose not to execute this document, your child may still participate in the tour but may not be able to participate in some tour activities. With regard to said activities:

- I understand and agree that my child, with permission, has voluntarily chosen to participate in the activities and we assume all dangers and risks associated with the activities.
- I do hereby delegate the Group Leader a "Limited Power of Attorney" and full authority to sign any documents, including but not limited to liability releases, permission slips, waivers and/or any other type of participation agreement required by the operators of any activity for participation.
