We are committed to ensuring every new Group Leader is fully prepared to lead an EF Educational Tour with their students. Our training tour program includes online, classroom, and experiential learning components, which are facilitated by EF staff, EF Tour Directors, and Global Education Ambassadors from across the United States. Your hotel will likely not be ready for check-in, so you will store your luggage there before heading into the city.

In a panel discussion, we will review best practices surrounding safety, group management, student engagement, and various Group Leader responsibilities on tour. You'll also learn about on-tour reflection exercises, which can be brought back to your classroom.

Itinerary continued

Free evening in Munich: Tonight, explore Munich with fellow educators and enjoy free time for dinner. After dinner, we will meet as a group and return to the hotel.

Day 4 | BD

Training seminar two: During this session, collaborate with new and experienced Group Leaders on different ways to ensure your students have positive physical journeys while traveling, but also meaningful personal growth. Discuss a range of important pre-tour topics, such as curricular alignment, successful recruiting strategies, student-driven learning, building your travel team, and creating a global education plan.

Guided visit to Dachau: Once merely another sleepy German village, Dachau has since 1933 gained notoriety as Germany's first Nazi concentration camp. Today, the old administration building houses a museum documenting the rise of Hitler and the horrors of camp life. Commemorative chapels and memorials have also been built on the site, which stands as an eternal memorial to those who endured life here until liberation by Allied forces.

Farewell dinner: Reflect on what you've learned in Munich at tonight's farewell dinner.

Day 5 | B

Your Tour Director will facilitate your transport to the airport, where you will check in for your return flight home.
